2. Fenstermontage / Mounting of the windows

Schutzfolie abziehen.
Remove protection foil.

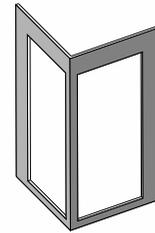

Mit der Klebeseite auf
das Glas aufdrücken.
Press adhesive side
onto the glass.

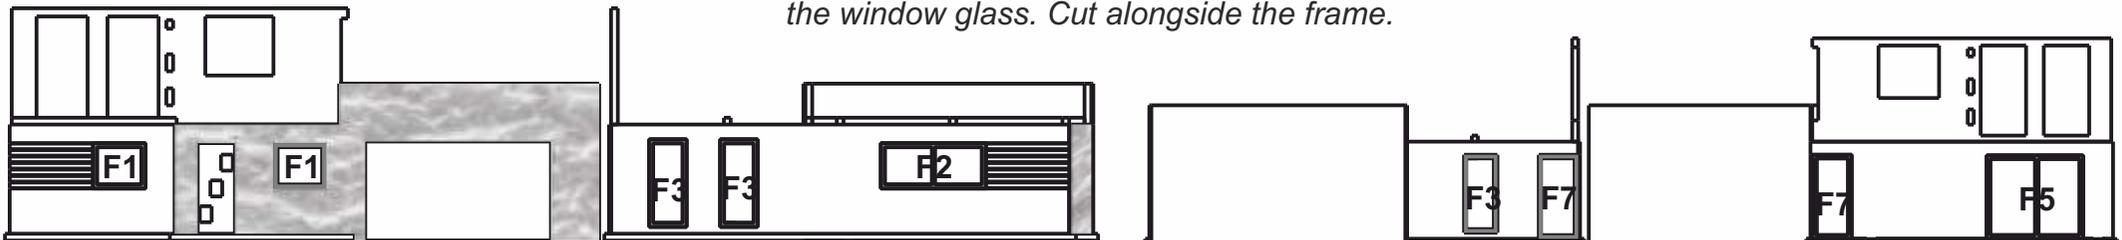

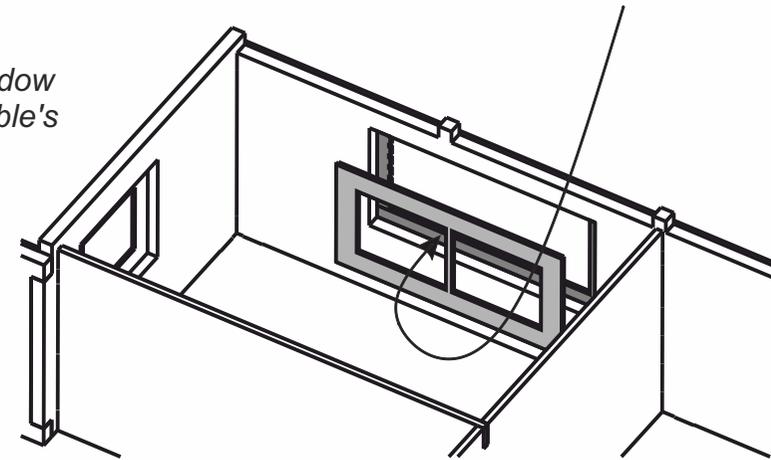

Am Rahmen
ausschneiden.
Cut alongside the frame.

Ziehen Sie nun die Schutzfolie ab und
kleben die Fensterscheibe auf.
Schneiden Sie diese bündig zu.
Now remove the protection foil and stick on
the window glass. Cut alongside the frame.

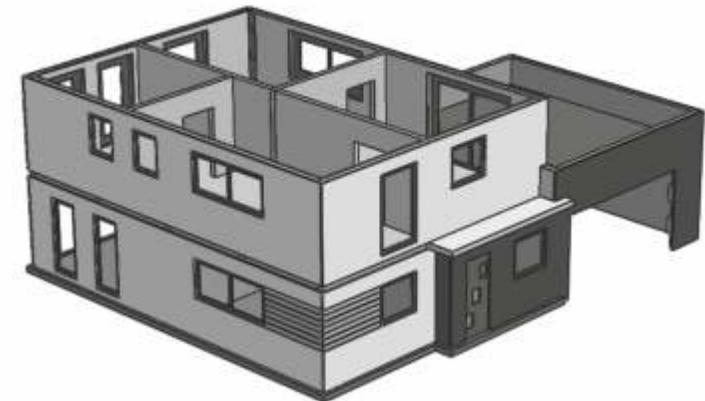

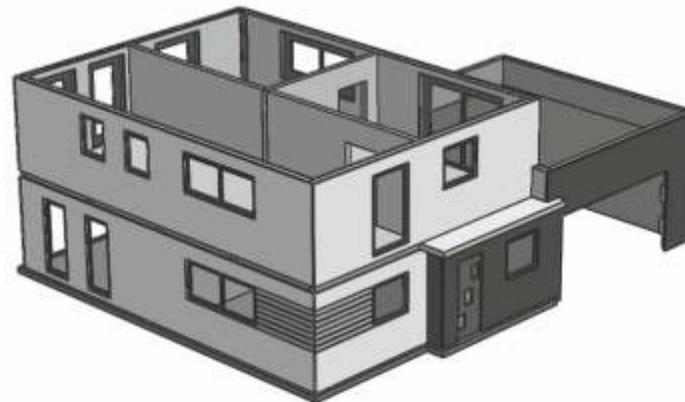

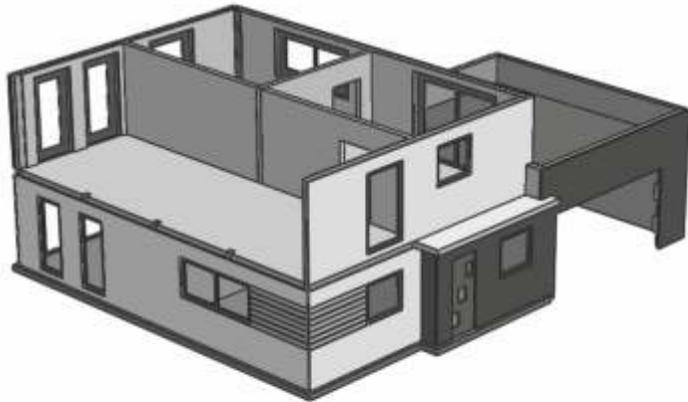

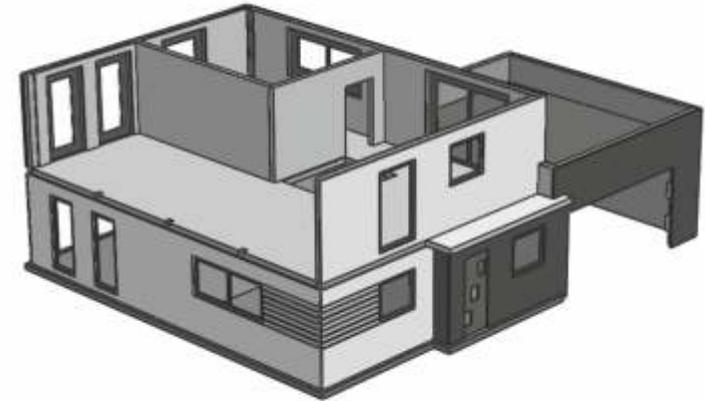

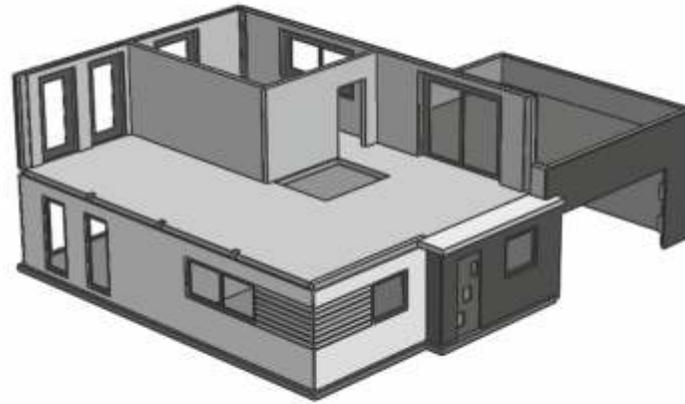

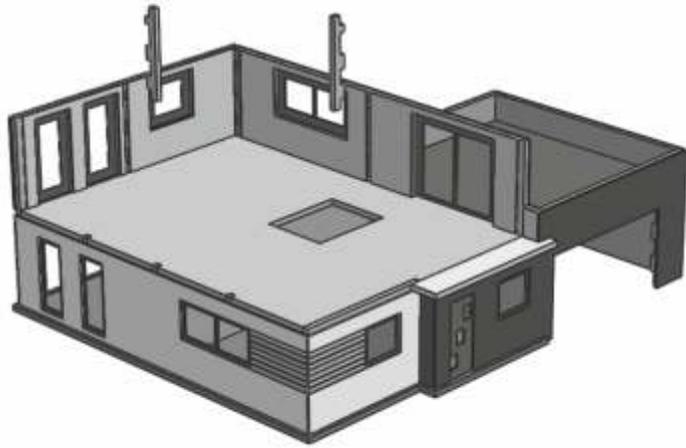

Knicken Sie das Eckfenster
F7 vorsichtig in der Mitte.
Eine Tischkante oder ein
Lineal ist dabei hilfreich.
Cautiously bend the corner window
F7 in the middle. A ruler or a table's
edge can be helpful for this.

Die fertigen Fenster werden von innen montiert.
The finished windows are mounted from inside.

3. Aufbauvarianten / Mounting variations

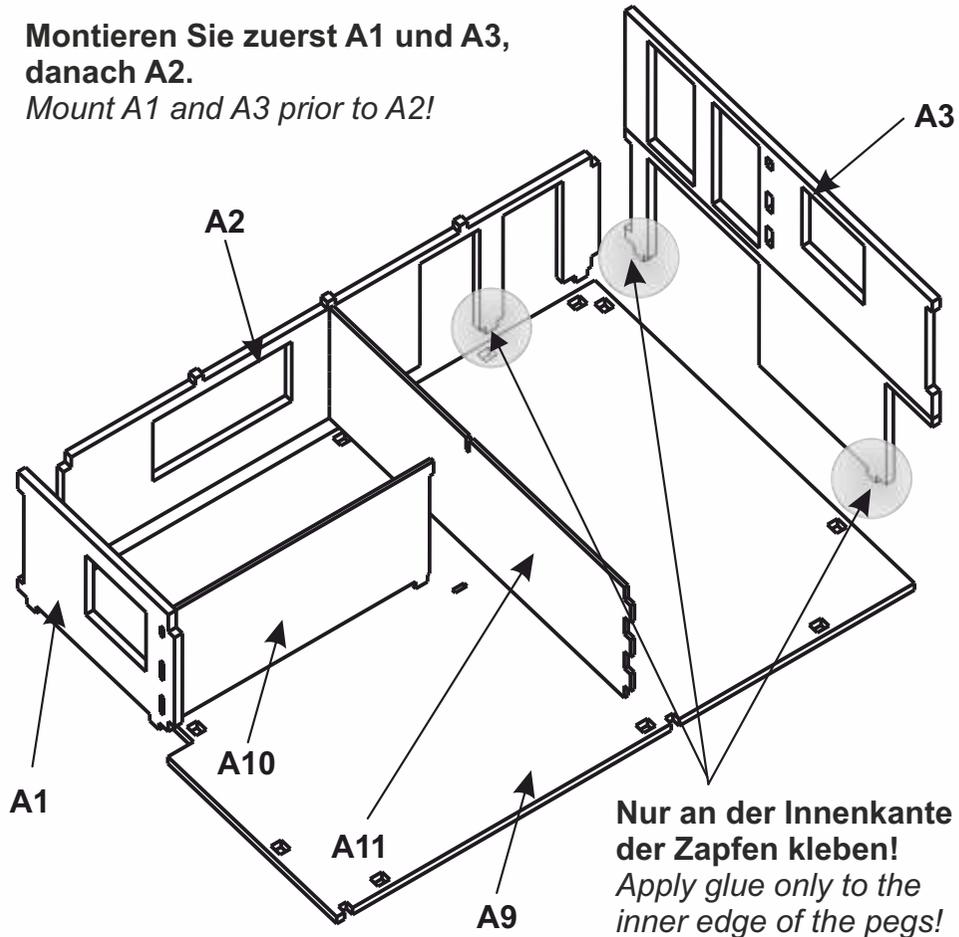

4. Montage / Mounting

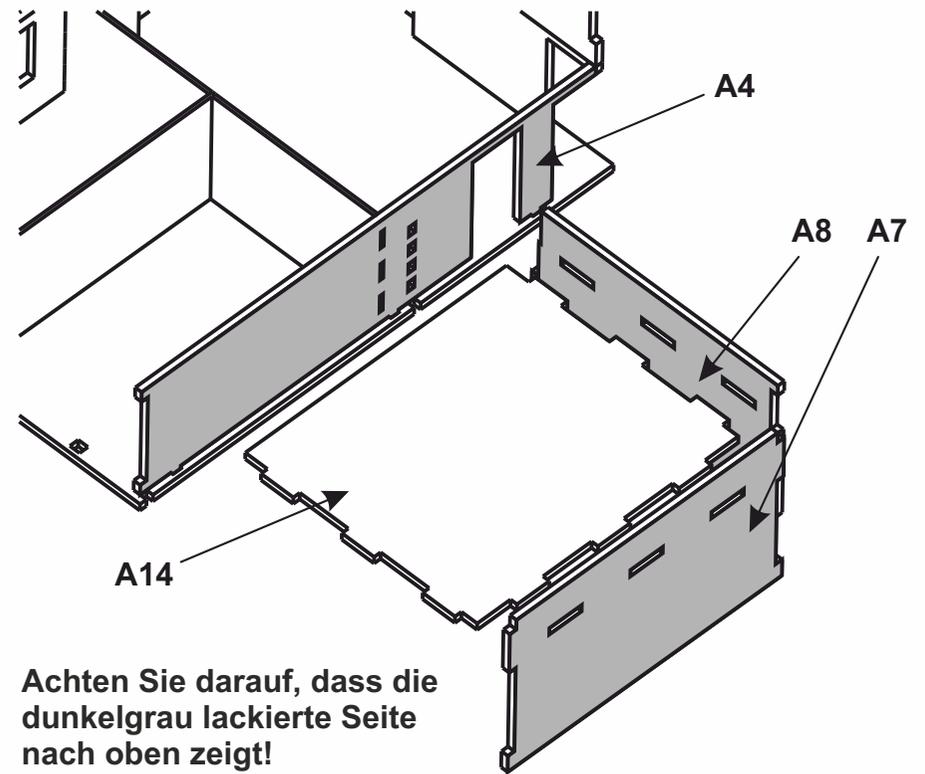

①

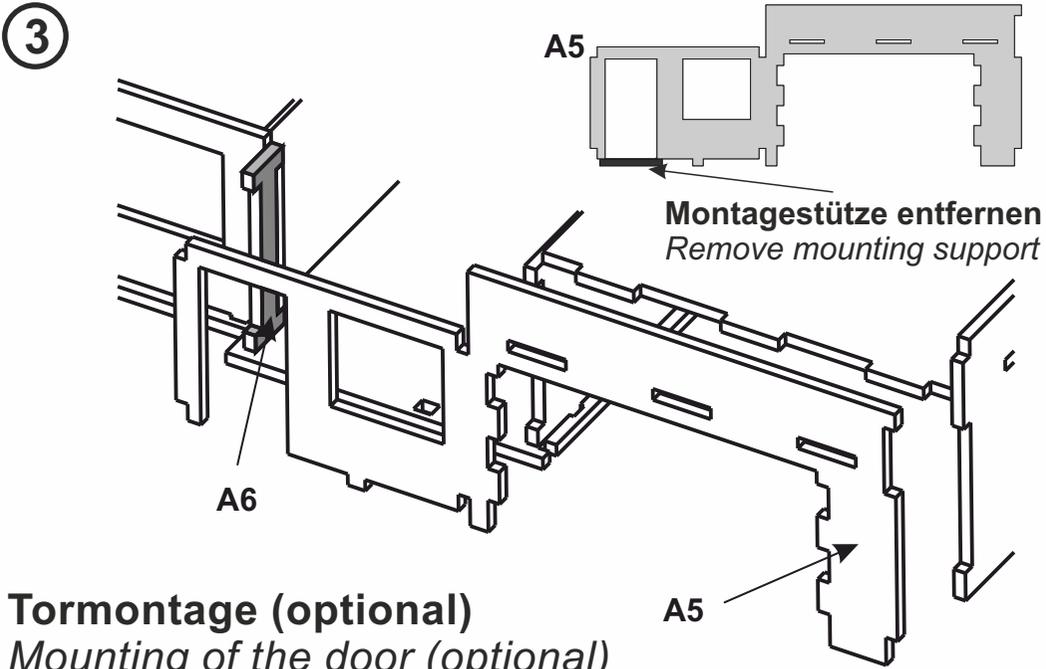

Die Bodenzapfen dienen nur zur Orientierung und sollten vor der Montage entfernt werden!
The floor pegs are only for orientation and should be removed prior to mounting.

Montieren Sie zuerst A1 und A3, danach A2.
Mount A1 and A3 prior to A2!

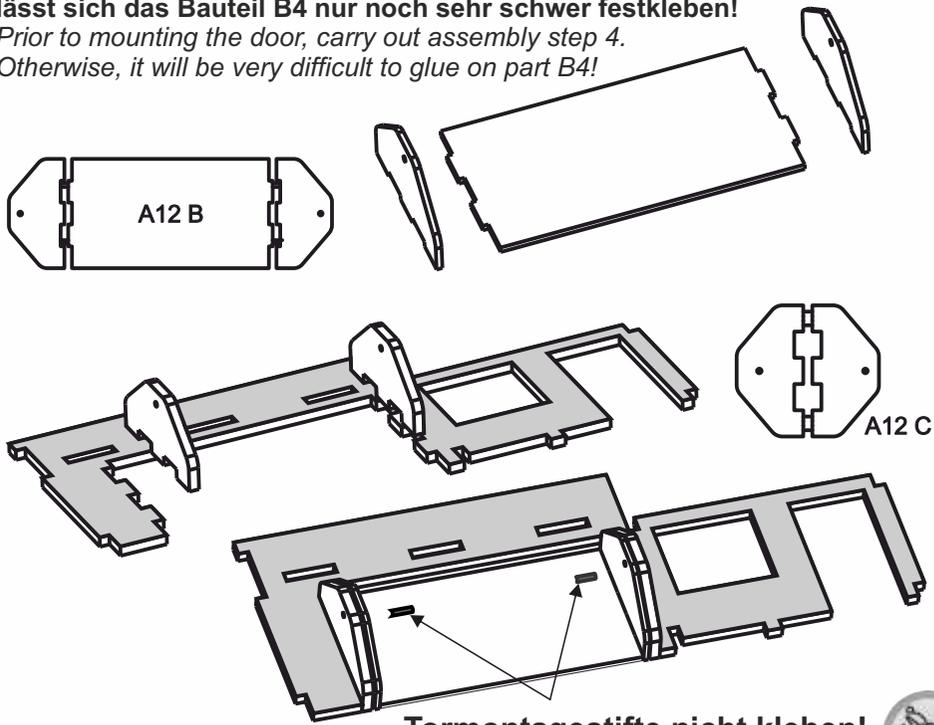

②

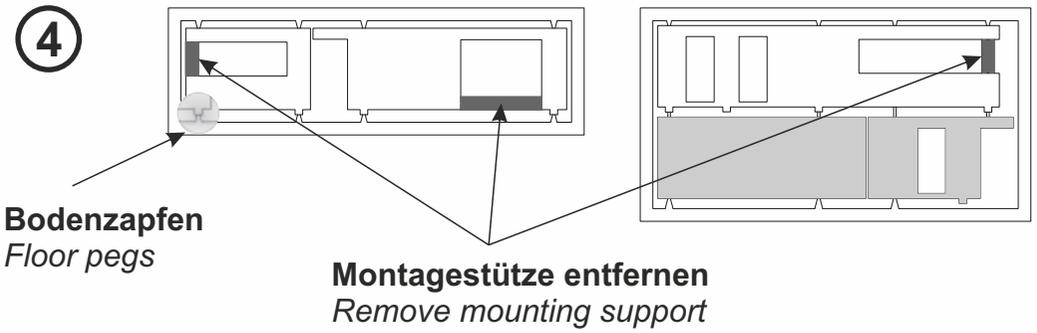

Tormontage (optional) *Mounting of the door (optional)*

Führen Sie vor der Tormontage den Bauschritt 4 aus. Sonst lässt sich das Bauteil B4 nur noch sehr schwer festkleben!
Prior to mounting the door, carry out assembly step 4. Otherwise, it will be very difficult to glue on part B4!

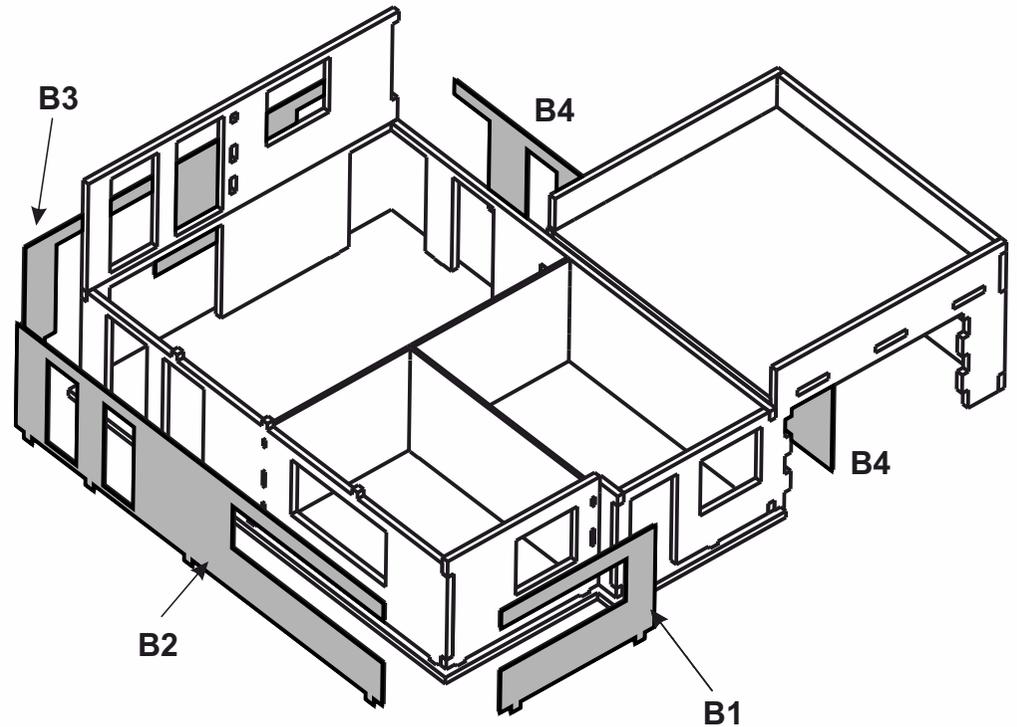

Tormontagegestifte nicht kleben!
Do not glue door assembly pins!

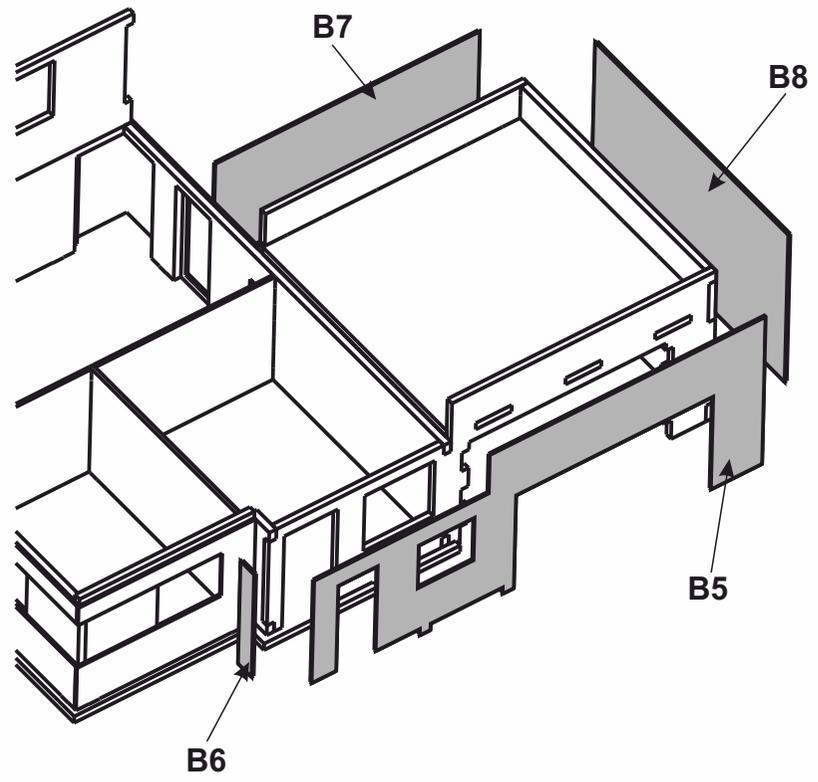

Montagestützen nicht mit Klebstoff bestreichen. Nach der Verklebung der Fassade sind die Montagestützen zu entfernen.
Do not coat the mounting supports with adhesive. After gluing the facade, remove the mounting supports.

Die Bodenzapfen dienen nur zur Orientierung und sollten vor der Montage entfernt werden!
The floor pegs are only for orientation and should be removed prior to mounting.

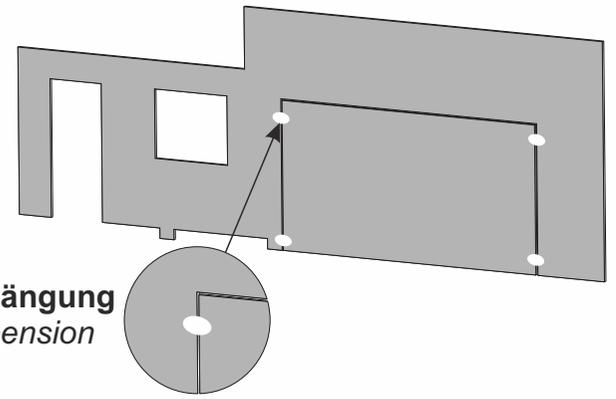

Beginnen Sie die Montage mit Teil B1.
Start mounting with part B1.

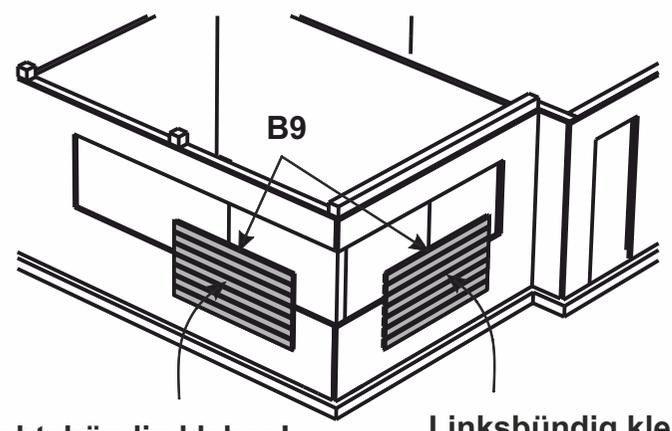

5

Bei der Montage mit Tor, kann das Fassadenteil B5 zusammenhängend aufgebracht werden. Die Aufhängungen werden nach der Verklebung gelöst.
 When installing with a door, the façade part B5 can be glued on in one piece. The suspensions are detached after bonding.

6

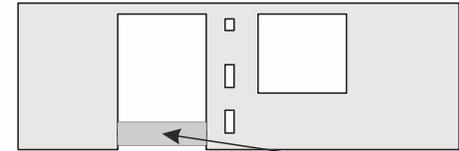

Rechtsbündig kleben!
 Glue right-justified.

Linksbündig kleben!
 Glue left-justified.
